What the Coaches say

John Fleming

A much improved performance at Pratten Park against Sydney Olympic gave the Wolves a deserved win against the more fancied Sydney side. The quality and determination showed by the boys proved they can match it with the best, and that kind of performance has got to be continued in our last two games if we are going to qualify for the revamped National League next year.

Our opponents today, Canberra, have provided quite a few upset results in the second round, and we will be looking to improve on our first round draw with them at Canberra.

The injury situation at the Club has certainly lessened in the last few weeks and I can now have the luxury of selecting from 14 or 15 players, with only Scott Dickson and Saul Rivero unavailable. This certainly creates a more competitive situation at the Club and will surely show out in our results today and next week.

++++++++++++++++

John Frew

Today marks the last home appearance for the Youth Team. 1986 has been a difficult year for the squad for two reasons.

Firstly, the large size of the squad, 17 regular plus 4 over age players, has meant that at best, one game in two was all the playing time the boys could expect. As a result, there has been little chance to build up a regular team understanding and hard match fitness.

The second difficulty has been the age of the squad, this is a particularly young team. Six players will be eligible up to 1990, four years away. The mind boggles at the potential of these boys.

Despite starting at a disadvantage, the Youth Squad has performed better than I had hoped. Without exception, they are a credit to themselves and to the coaches who have trained them in the past. The dedication and ability of this squad the year after a championship team, re-affirms my belief in the young players of this region. It has been a privilege for me to be associated with them.

Finally, a big thank you to that group of fans who arrive early each week to watch us play. We hope we have rewarded you with some good soccer.

OUR VISITORS TODAY

We extend a hearty welcome to the officials, players and supporters of Canberra Olympians. Since the Wolves joined the NSL in 1981, we have met Canberra City a total of eleven times and the results favour Canberra with seven wins, two draws, and the Wolves have won twice.

Lately, dubbed the 'giant killers', Canberra with such good players in Tony Franken, their South American Augusto Palacios as well as the experience of Cant, Sermani and and Byrne and their player/Coach, Steve Bryant, have achieved some creditable results lately.

Canberra City has been a member of the NSL since 1976 and it will be a sad day in the history of the NSL and soccer at top level when areas such as Canberra, Newcastle and Wollongong are no longer represented in soccer at its highest level.

We know we can count on Canberra's support at the next Council of Clubs Meeting, when for the final time, the concept of the 1987 competition will be discussed and finalised. We sincerely hope that sanity will prevail at this meeting because it seems just incredulous that as many as six Clubs from our present competition will possibly not be in the NSL next year.

Senior Team Report

Our last home game was a game that was given and a game that was taken.

After the Wolves had 90% of the game, again we saw the points taken from us in the last ten minutes, after lack of concentration. We have seen this happen a few times this year and it has cost us dearly. APIA Leichhardt did not look like a team fighting for survival. Some of their players lacked dedication and the game looked all over bar the shouting before the equaliser came, and then right on full time, in fact in injury time, they scored the winner to steal both points. A lot of disappointed fans, officials and players could just not believe what had happened. This game was a game we just had to win, and now makes our position that much harder to stay in the NSL for 1987. All players had good games and Randell Easthorpe and Pat Brodnik were outstanding as strikers.

Last weekend saw the team travel to Pratten Park to play against Sydney Olympic. What a drastic change. This time saw the Wolves score in injury time to clinch both points. Olympic looked like a second rate team, because they were not allowed at any stage during the game to settle down. Our players' aggression, distribution and effort won the applauds from everyone at the ground. A great first half goal from Robert Girladi put us in a good position in the game. The Wollongong midfield combined well and won the game for us. Pat Brodnik and Randell Easthorpe were a constant threat to the Olympic defence, and time and again Gary Myer was the only Olympic player who stopped an onslaught. It could have been 3 or 4 nil to Wollongong at half-time, and possibly 6 - 0 at full time. Marshall Soper equalised for Olympic 15 minutes from the end, but that goal and one shot towards the end of the game, which Warwick Young pushed round the post, were the only two chances Olympic had during the game.

A great run by Giraldi in injury time saw him cross the ball from the goal line on the right wing and Pat Brodnik hit a great shot first time into the corner of the net to secure both points for Wollongong. It was a victory fully deserved and it has been a long time between drinks.

Len Chafer

Youth Team Report

As the season draws to a close, the lads are starting to play the brand of football we all knew they were capable of. In the previous home match against APIA we dominated play for long periods but were unable to convert this domination into goals, even missing a penalty, and paid the price for this inability, when in a ten minute period, half-way through the second half, concentration lapsed, and our opponents scored two goals. Mineo Bonetig had a big game in this match and showed what a good player he is developing into with some fine inter-play with fellow mid-fielder, Ric Piel and Striker, Earle Canvin. In defence, Steven Badger and Stevie Morris stood out with strong tackling and good distribution. Craig Hughes had another strong game up front and will be a big asset in future seasons.

Our away match against Sydney Olympic last weekend was almost a replica of the Leichhardt game. We again played some sparkling soccer, but fell down in the goal scoring department. Leonel Arcosa, Willie Murray, Ric Piel, John Brown, and Goran Trajcevski all had chances to put the Wolves ahead but were unable to beat the brilliant goalkeeping of George Bouncutsos, the 1985 Under 16 Australian Kepper. Central Defender, Rob Bemi, stood out in this match and his coolness under pressure is an object lesson for all players. Goran Trajcevski showed the advantage of running at Defenders and caused plenty of headaches for the Olympic back four. This report would not be complete without special mention of Earle Canvin. Left without the services of a Goalkeeper for this match, Earle volunteered to play in this unaccustomed position and filled the gap with distinction. The goal by which the game was lost was no reflection on Earle and he deserves all credit for his unselfish effort and is an indication of the camaraderie that has built up in this fine young squad.

This weekend's double header, AIS yesterday, and Canberra City today, will be a tough assignment for the lads, but regardless of the results, they will make a wholehearted effort and provide entertainment for their growing army of supporters.

Neville-Arrowsmith

SUPPORTERS CLUB

On behalf of the Supporters Club we wish to thank all those supporters who helped to make our fund raising functions a great success throughout the season.

Thank you, also, to the Cheersquad for keeping us entertained at half-time and for their help in selling raffle tickets.

The Supporters Stand still have a great selection of the new sloppy joes which have proved to be very popular with our supporters.

The Cheergirls will be holding a car wash at the Shell Garage, Corrimal on Saturday, 20 September, between 9 am and 12 pm. The cost will be $1.50 per car.

NEW NSL FORMAT

The criteria for entry into the 1987 NSL competition was determined and is based on a maximum point allocation of 40 for past performance, 50 for 1986 performance and 10 for attendance record during 1986. Each position on the 1986 competition table is worth 4.1667 points, which means that for Wollongong City to qualify, we will have to finish in 5th place or better. Goals scored and conceeded are of utmost importance because it could mean that one position higher on the table.

Below are listed the pointscore for past performance and the present total pointscore based on positions clubs occupy presently on the competition table with an estimated mark for crowd attendance not included.

Past Performance

1	SYDNEY CITY	38.7698	15	WEST ADELAIDE	15.9921
2	HEIDELBERG	32.1825	16	GREEN GULLY	15.0000

13.	SUNSHINE	46.66			
14.	MELBOURNE CROATIA	44.17			

Our Club has not been happy with the proposed new format for 1987 and as such, we have petitioned the other Clubs with a view to arranging a full Council of Clubs meeting to further discuss the format, and if necessary, rescind the motion. We have listed a number of reasons why we think the new format will not be successful, the most significant ones being, the qualification criteria, finance and sponsorhsip, Youth League and crowd support.

As an alternative it has been proposed by our Club that the NSL should be continued in two divisions ie Northern and Southern. The Northern divisions be made up of 11 teams from the Federation of NSW, Northern NSW, ACT plus one team from Queensland. The Southern division be made up of 11 teams from Victoria plus one team from South Australia. We have further proposed that top five elimination games be held to determine two teams from each division to play in a top four tournament to determine the NSL Champion, with a similar arrangement for determining the NSL Cup Champion. In addition, it is suggested that two divisional representative fixtures be played, one in Sydney and one in Melbourne during the season.

We hope all Clubs will take a good hard look at the realities that exist and hopefully come to an agreement whereby the NSL can remain truly National and at the same time play in a competition that Club's can afford.

CLUB NEWS

There is not much between winning or losing at times. The Leichhardt game was lost in injury time and the Olympic game was won in extra time. With so little separating the top nine or ten teams in the competition, it would be criminal to axe five or six teams from the National League.

++++++++++++++++++++

After the fine victory last week over Olympic, the members of the Youth Team were applauding the senior team off the park and came into the dressing room to congratulate the players. What a fine gesture from a bunch of great fellows. The boys in our Youth Team have talent aplenty and with such attitudes, they are destined to go a long way in soccer and in life. It makes us all the more determined to be a part of the NSL in the future.

++++++++++++++++++++

Congratulations to Youth player, Jeff Allport. As previously reported, Jeff had been selected in the NSW Combined High School team for the Australian Championships and to tour West Germany in December. On top of this, Jeff has spent another week at Parklea, this time representing NSW in the Under 16 Australian Championships. At the time of writing, it is not known how the Blues went, but whatever the results, we are sure Jeff will be a worthwhile representative and a fine ambassador for Wollongong City Wolves.

STOP THE PRESS! HOLD THE PHONE!
Another flash from the pundits at Parklea. State coach, Alan Vest, has announced that Jeff has been selected by the N.S.W.A.S.F.A and the Big Brother Movement to partake of a scholarship of 10 weeks duration to England. This is the same scholarship granted to Mineo Bonetig in 1985. Mineo was the guest of Luton town and played and trained with that Club's apprentices. It is not known at this stage with whom Jeff will stay, but if Mineo is any example, the trip will do him immeasurable good.

++++++++++++++++++++

Unluckily, Jamie Warren, who also was nominated for this scholarship, missed out but I'm sure Jamie will overcome his disappointment and continue to be a player with a bright future.

++++++++++++++++++++

Don't forget - the Qantas Raffle is in full swing. Books of tickets are available from Neville Arrowsmith and your support of this important fund raiser is requested.

++++++++++++++++++++

Today's programme is the last home match programme for this year and it is an opportune time to acknowledge the various forms of support the Club has enjoyed this year. Our support this year just about doubled last year's figures and this is very encouraging, and proves the need for Wollongong's participation in the top league. To the people who helped the Club in any way during the year, and there are too many to mention names, you have the Club's heartfelt thanks.

++++++++++++++++++++

The Board of Directors wish to express their sincere appreciation to our major sponsor, BHP Steel, for their tremendous financial support. Also, the Kern Corporation, a long standing financial supporter of the Club, and the Fraternity Bowling and Recreation Club with their sponsorship, have been of immense assistance to the Club.

++++++++++++++++++++

Acknowledgement and appreciation is extended to Australia's very own airline, Qantas, for their magnificent donation of $4000 worth of airline travel. Peerless Industries for the fourth year have supplied playing strips and other gear for our teams. We thank the advertisers who agreed to place advertising signs on the Showground during our home games. We thank BHP Steel, Port Kembla, for providing the trophies and incentive for both Youth and NSL Player Of The Year, and Bond's and Kirby and G Bremer and Sons for providing the NSL player and Youth player of the home match award. We also thank Dandy Smallgoods for providing the prize in our home match raffle each fortnight.

CLUB NEWS

This programme would not have been possible but for the support of the many advertisers, for which we are grateful. We also thank our many supporters for purchasing the programme, the sellers and distributors, and especially Amanda Duff for her great assistance with the typing and preparation of the programme.

++++++++++++++++++++

It is the additional groups such as the Supporters Club, the Ladies Auxiliary and the Cheergirls that really make a Club and their contribution to the Club during the year has been tremendous. On behalf of these groups, we would like to thank all those individuals who have helped these groups.

++++++++++++++++++++

A special mention is made of the contribution of John Fleming, John Frew, Glenn Fontana, Patrick Brown, Denis Haberley, Doctor Balgi and especially Jess Machionne, who looks after the players as if they were his own family.

++++++++++++++++++++

The support given to the Club by the media and in particular, Mark Chester and Col Duffy, and staff from WIN 4 Television; Phil Murphy and the management and staff of the Illawarra Mercury; Brian Surtees and Tim Mullens from the Sunday Telegraph and Sun Herald; our three local radio stations, 2WL, 2 Double O and 2WN for match reports, interviews and progress scores, is very much appreciated.

++++++++++++++++++++

In keeping the Club's administration, typing and filing records intact, we thank sincerely the help received from Mandy, Nola and Jo.

++++++++++++++++++++

Finally, a big thank you to all those loyal fans who have supported the Club this season.
